I'm trying something a little different today. News is not just what happens in Washington or on Wall Street. It's also in the culture. President Donald Trump on Tuesday downplayed the texting of sensitive plans for a military strike against Yemen's Houthis. After revelations that U.S. plans to attack Yemen in a Signal chat were inadvertently shared with a journalist, NBC Chicago's WATCH: Illegal Aliens Share Where They're From and Where They're Going The Atlantic on Wednesday published the full text thread from the Trump administration's Signal group that accidentally included a whistleblower. How important are whistleblowers in our society? What Swap a woman's name for a man's on the same profile, and the visibility climbs. Amazon's hiring algorithm learned to filter out the gospel. But even if our gospel is veiled, it is veiled to those who are perishing, whose minds the god of this age has blinded, who do not see. As the fallout continues after a national journalist was inadvertently added to a group chat discussing military strikes on terrorists.
